PARTNERS FOR PAWS

Partners for Paws is a non-profit organization formed in November 2005 by a group of local volunteers with the sole purpose to raise funds to build and maintain a new animal shelter. The old shelter was over 50 years old and had merely 9 cages producing a 80% euthanasia rate.

Due to the devoted efforts of our volunteers and gracious community members, our new shelter is now a reality. We are proud to announce the shelter opened March of 2009!

Our work is not done. The facility increased from 9 cages to over 40, so the expenses will also increase. Our group will continue to raise funds for the animal shelter through planned special events, as well as grant writing, membership drives, and by seeking donations.
